**Conversation Starter:**

Given my financial situation, should I choose an investment advisory service? Why or why not?

How will you choose investments to recommend to me?

What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

***What Fees Will I Pay?***

Terra Wealth charges an annual advisory fee based upon the assets under management of up to 2.00%, billed either monthly in arrears or quarterly in advance. Retail investors should be aware that the more assets there are in a retail investor’s advisory account, the more a retail investor will pay in fees. Thus, we have an incentive to encourage you to increase the assets in your account. In addition to the advisory fees paid to Terra Wealth, you will also incur certain charges imposed by other third parties, such as broker-dealers, custodians, trust companies, banks and other financial institutions. You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

**MORE DETAILED INFORMATION ABOUT YOUR ADVISORY FEES AND COSTS CAN BE FOUND IN THE FIRM'S SERVICES DISCLOSURE AND FORM ADV, PART 2A BROCHURE (ITEM 5) THAT MAY BE OBTAINED BY CALLING 305-928-3772.**

### Conversation Starter:

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

*What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?*

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means:

Terra Wealth charges asset-based fees. The more assets in your account, the more you will pay us in fees. Thus, we have an incentive to encourage you to increase the assets in your account.

In addition, we may recommend Fidelity to you for custody and brokerage services. Some of the products and services made available by Fidelity through their platform may benefit us but may not benefit your accounts. The benefits received by us or our personnel through Fidelity's platform do not depend on the amount of brokerage transactions directed to Fidelity. You should be aware, however, that the receipt of economic benefits by us or our related persons in and of itself creates a potential conflict of interest and may indirectly influence our choice of Fidelity for custody and brokerage services.

**MORE DETAILED INFORMATION ABOUT THE CONFLICTS OF INTEREST CAN BE FOUND IN THE FIRM'S FORM ADV, PART 2A BROCHURE THAT MAY BE OBTAINED BY CALLING 305-928-3772**
